# Frank Key. Welcome

Creating a garden or patio that's a true extension of your home is made easy at Frank Key. As a leading independent provider of building supplies, landscaping and plant & tool hire, Frank Key are the number one choice for everything needed to create an elegant garden, a dynamic driveway and lay that perfect patio.

There are many ways to get outdoor inspiration: from our latest Landscaping guide, top tips from our landscaping blogs, and our dedicated landscaping centre Patioworld located at Planters Brookfields Garden Centre, Mapperley Plains.

As proud partners with Bradstone, Frank Key brings you the 2024 Bradstone range including the popular porcelain range Madera Antigua, Romeli, Stylus, Fiero and more. Porcelain gives you an elegant and hard wearing finish, transforming your outdoor space to a modern or contemporary style. Make sure your garden is ready for those summer BBQ's.

This guide also features other market-leading products to complete your landscaping project. From sustainable composite decking, low maintenance artificial grass, garden walling, cedar cladding, and modern stylish fencing.

If your project requires additional plant or earth moving equipment such as a mini-excavator, diggers or dumpers then our Plant & Tool Hire department are on-hand to help.

Don't forget to download our building supplies App to help with all your building materials. In the unlikely event you do not find the product you want in this guide, our strong supplier relationship and knowledgeable staff will ensure Frank Key can source the right product for you on a short lead time, allowing you to continue with the dream project.

We hope to see you at your local branch in the near future.

## Frank Key. PLANT & TOOL HIRE

Our Plant & Tool Hire division offer a huge range of professional-grade plant and equipment to support your landscaping and home-improvement projects. All our equipment is maintained to the very highest standards and we also have an excellent service and repair offering across our branch network. From cutting and drilling to excavators and access, Frank Key Plant & Tool Hire has it covered.

You can find our Plant & Tool Hire branches on the back cover of this brochure.

Disclaimer: The products represent lines available from our stocks or on display at one or more of our outlets. All prices in this guide are correct as of 1st April 2024, and the VAT inclusive prices are stated at the current rate (20%). Should the VAT rate change, these prices will be amended accordingly. The company reserves the right to change any specification or prices without prior notice, any alterations will be published in the landscaping section of the website. Sizes given in this brochure are approximate and are given for use as a guide only. Where unwanted items are returned, a restocking charge may be applied, special order items (non-stock products) may not be returned, we recommend you obtain a sample prior to ordering. Where a product is defective or damaged, the company may use a supplier representative to ensure the product is faulty.

## From source

Frank Key has always taken pride in sourcing the highest-quality products, from market-leading suppliers. Our commitment extends to working with our partners in providing ethically-sourced natural stone and timber materials. We are also committed to lowering our carbon footprint and work with our partners to ensure we have the right offering for our customers.

### **Patioworld** by Frank Key.

Patioworld by Frank Key is our dedicated landscaping centre, featuring one of the UK's most comprehensive outdoor paving displays. Located at Planters Brookfields Garden Centre, Mapperley Plains, Nottingham. You can browse our extensive outdoor range and get expert advice from our on-site team.

# Hire The Right Tools For Paving

- Quality, branded landscaping tools
- Fast, easy hire process
- Flexible hire rates
- Delivery & Collection

Speak to our friendly,  
knowledgeable staff in-store  
about hiring from us.

---

## Avant 500 Series X01

- ✓ Perfect for all-round use due to their power, straight forward hydraulics and manoeuvrability.

## 240V Pressure Washer

H21-CLE115

- ✓ Perfect for domestic and light industrial work including walkways patios and concrete floors.

---

## Breaker H09-BRE020

- ✓ Perfect for breaking through paths and small slabs of concrete. But can break through 120mm of concrete if required.

## Tracked Dumper

H24-PLA060

- ✓ Perfect for difficult soft terrain, climb stairs and negotiate pathways.

These are tough, hard wearing, budget paving solutions. Ideal as a base for utility areas and sheds. They are not recommended for feature patios, as with utility products the colour and finish will vary.

# Our Top Tips to Good Deck Building

1

Plan the deck carefully before commencing any construction work.

2

A scale drawing of the proposed deck and surroundings will help visualise the overall size and shape.

3

Materials stored on site before and during deck building should be protected from rain using a waterproof cover.

4

Spend time preparing the proposed site. Remove all vegetation, apply a proprietary weed killer and weed block.

5

Do not bridge the damp course or cover air bricks if fixing to the side of a house.

6

For decks over 600mm above ground level, consult a reputable builder or structural engineer.

7

All cut ends and drilled holes must be treated with a suitable proprietary end coat.
